

Things I need to know about the Snowball Derby if I am a:

Pure Stock Team

- Best opportunity for practice will be at the Snowball Derby Preview, scheduled for November 18th, from 9am until 7pm. All divisions will practice in rotation. There will be a practice session on Race Day November 29th, but unfortunately it is limited due to time constraints.
- Entry Blanks are available at www.snowballderby.com. There is a discount for early entries. There will be a registration trailer in the pits on November 18th. Hauler Pass Decals are required to enter pit area on race day and will be issued at time of entry.
- Pits will open at 2pm on Race Day November 29th. **Rigs will not be allowed to stage before 2pm on Speedway grounds.** Pit parking will be orchestrated by track officials.
- TECH: Technical Inspections will be available at SBD Preview. Race Day inspections will be required but can be expedited with Nov. 18th clearance.
- Pure Stock practice will be at 4:30pm, Driver's Meeting at 5:15pm, and group qualifying at 5:45pm, racing will be at 7pm.
- All rigs must be removed from infield at conclusion of race program.
